## Vol. 5 – From Egypt to Canaan - Part 39 – “The Leader’s Farewell”

**Speaker:** Pastor Delthony L. Gordon    **Church:** Beavercreek SDA – 01/02/2021

**Scripture Reading:** Deuteronomy 30:15-20

Forty \_\_\_\_\_ years of \_\_\_\_\_ the Children of Israel to the \_\_\_\_\_ of promise had now come to an end for Moses; but \_\_\_\_\_ did the people realize they were about to \_\_\_\_\_ their dedicated \_\_\_\_\_. Sadly, during those years, his \_\_\_\_\_ of \_\_\_\_\_ was almost entirely \_\_\_\_\_ on them due to their constant complaining against him when he was but doing the very things that God bid him do. Soon they would understand the gravity of their actions that \_\_\_\_\_ him to \_\_\_\_\_ his temper, and as a result that he was now to \_\_\_\_\_ them never to return, nor inherit Canaan with them. How would these \_\_\_\_\_ moments be remembered? What would characterize this closing scene? \_\_\_\_\_ us take a closer \_\_\_\_\_ at this touch scene in the pages of Holy Writ.

### Learning from Moses’ Final Chapter

1. How did Moses encourage \_\_\_\_\_ to God in his final words? *Deut. 30:11-20*
2. How did the old general inaugurate his former \_\_\_\_\_? *Deut. 31:1-7*
3. What was unique about Moses’ \_\_\_\_\_ departure and death? – *Deut. 32:48-52*
4. What \_\_\_\_\_ vision did Moses receive at the top of Pisgah? *Deut. 34:1-4*
5. How did Moses inherit a better \_\_\_\_\_ than the earthly? *Jude 9*

Never, till exemplified in the sacrifice of Christ, were the justice and the love of God more strikingly displayed than in His dealings with Moses. God shut Moses out of Canaan, to teach a lesson which should never be forgotten—that He requires exact obedience, and that men are to beware of taking to themselves the glory which is due to their Maker. He could not grant the prayer of Moses that he might share the inheritance of Israel, but He did not forget or forsake His servant. The God of heaven understood the suffering that Moses had endured; He had noted every act of faithful service through those long years of conflict and trial. On the top of Pisgah, God called Moses to an inheritance infinitely more glorious than the earthly Canaan.
